```
graph TD; A[ ] --> B[NARROW PROCESS IN HORIZONTAL AXIS]; B --> C[THREE ROW'S LOGICAL OPERATION]; C --> D[HORIZONTAL DEPLETION]; D --> E[ ]
```

The flowchart is enclosed in a dashed rectangular border. It consists of three rectangular boxes connected by downward-pointing arrows. The first box contains the text "NARROW PROCESS IN HORIZONTAL AXIS". The second box contains the text "THREE ROW'S LOGICAL OPERATION". The third box contains the text "HORIZONTAL DEPLETION". An arrow enters the top of the first box from above, and an arrow exits the bottom of the third box, continuing downwards. There are also some handwritten lines and marks on the right side of the diagram.
